Submitted.

The Collector suggests that since the State Vidyadhikari may, before long, be absorbed in Government service the District Educational Officer may be authorized to sanction increments to the staff of the Vidyamandir High School and exercise functions of the Educational Board till regular orders regarding management of the School are passed by Government (vide in this connection Government Memorandum No.70083-B1/49-2 Education dated 19-9-49) But the District Educational Officer, Bellary has expressed that it will not be possible for him to investigate and dispose of these cases since he is not conversant with the service and other rules of the State and that too in the absence of any records. It is therefore suggested that the Special Officer in charge of the State may be asked to look into the matter with the assistance of the Vidyadhikari towards this end, Government may delegate the powers of sanctioning the increments to these teachers and also exercising the other functions of the Educational Board to the Special Officer.

2 Regarding taking over the records and Establishment etc., of the Educational Department of the State, I solicit instructions in the matter.

I invite your attention to the reference as quoted above. The Special Officer, Sandur has reported to me that the staff of the Vidyamandir have not drawn their increments for two years now and that it is therefore necessary to make some early arrangement.

In this connection I may add for your information that according to the Sandur Education Code, the Vidyadhikari is not competent to declare the completion of probation of teachers or to sanction their increments. The Education Board was competent to make all appointments temporary as well as permanent and to declare probation as also to sanction increments. The Education Board was superseded and the Ruler exercised the powers of the Board. So, if the Vidyadhikari is to be empowered with these functions, orders of the Govt. delegating the powers

powers of the Ruler to him are necessary. No doubt such a delegation will be convenient, but there is also the contingency that before long the absorption of the Vidyadhikari into the Madras Government service may be finalised and he may have to leave the place soon. It is therefore expedient that the District Educational Officer, Bellary is empowered to sanction these increments and exercise the functions of Educational Board till regular orders regarding the management of the Vidyamandir are passed by Government. I however leave the matter to your discretion

As the teachers should be given their increments soon, I request you to make very early arrangements in this behalf. I may also incidentally request you to take over the management of the Educational Department of the State without further delay and instructing the District Educational Officer, Bellary to take charge of all the connected records, establishment etc., as a centralised adminstration in Sandur is proving heavy for the Special Officer. Sandur.

From the Collr. of Bellary to the D.P.I. C.No. 2781/49-1 d/7.1.49
From the D.P.I. Rc. No. 1457. G2-49 d/16-1-50

The Vidyamandir, Sandur, is a secondary school which was maintained by the State prior to its merger. Pending a decision on the question of its future management, the school is being maintained as a Govt. institution.
The collector of Bellary has addressed the D.P.I in the matter of sanctioning of increments etc to the staff of the school. He has stated that under the rules of the State, the power to sanction increments to the staff vested in the Ruler, himself and that in the revised set up, he has suggested that the power may be delegated to the D.E.O Bellary. For the reasons stated in his letter at p/cf, the D.P.I. is of the view that the powers may be delegated to the Special Officer in charge of the State with the assistance of the Vidhyadhikari who will be well conversant with rules of the State. In the circumstances stated the Director's views may be concurred in.

the functions of Educational Board pending a decision on the question of its future management. The E & P.H deptt. proposes to agree with the views of the D.P.I at A on p.1 cf. As the merged State of Sandur has been provisionally constituted into an independent Sub. taluk of the Bellary district in charge of a Deputy Tahsildar (Special Officer), it does not seem justifiable to entrust the management of the School & also to ~~the~~ him Deputy Tahsildar. However E & P.H may be requested to consult the Collector of Bellary in the matter before the question of delegation of powers is decided. B on p.1 ante may be agreed to in with the above remarks the file may be passed on to Finance.

This dept are unable to agree with the D.P.I. views at A on p.1 cf. or with the E.H.Bs dept's any thing at C on p.1 ante. The Collector of Bellary writes in another connection stating that the Sub Office Sandur (after all a mere Sub Dy. This rank) is unable to cope with the huge work of looking after the many depts. The taking over of the Vidyarandir staff records is a legitimate work of the Edn. dept. The D.P.I may be asked to instruct the D.E.O Bellary to take over the institution with all the duties

D.E.O Bellary may be asked
